Brothers and Sisters in Christ,

It is my honor to send you this personal invitation to our 105th July 24-27, 2014 Workshop. It is also my earnest prayer that you are blessed and abounding in the grace and knowledge of our Lord and Savior Jesus Christ.

The Encyclopedia Britannica describes the Illuminati as a movement to replace Christianity with a religion of science and reason. Over the years, several Illuminati spokespeople have stated that our God, the Father of our Lord and Savior Jesus Christ, is too narrow and way too strict when it comes to values and morals. In a nutshell, these so-called enlightened folk are sent forth to infiltrate the Church of Jesus Christ in order to water down Biblical doctrines and destroy the church's foundation. Compromise has been allowed and accepted by God's people. Thus, opening the gates of Hell in our churches and homes. Naturally, this is why there are so many different teachings coming from the pulpits today. Dare we speak too loudly this truth lest we ourselves awake and repent!

Does this destruction bother anyone? Does it really matter that pulpits have grown silent? Do we care? Does it bother us that the hearts of many of God's children have grown cold? How is your heart today? I guess as long as our favorite sports star, actor, actress or TV show entertains us, we will not have the time, nor the inclination, to care about the above questions. Will you ask yourself where have you been, or even better, where you are now? Ho-hum!

Devils have eaten up our homes, families, churches, relationships, marriages, institutions, schools, governments and even our own lives. We sit like the proverbial frog in the boiling water...waiting... for what? The sad fact remains that 10% of God's people still do 90% of the work. Similarly, it is mostly the same 10% who also financially support the church. Too many American Christians are doing nothing to help God's people get set free from demonic bondage! More than likely, the majority of those who receive this flyer will not lift a finger, nor drop a penny into the deliverance ministry. Yet, too often they are the first ones to run back to deliverance when their demons get out of control. Repent, while there is still time!

Whether or not we as believers can turn back the demonic holds within our church's is yet to be seen. Nonetheless, one thing is for certain, when we have finally had enough, we can turn back the devils within our own lives!

Come join us for our July Workshop and find out how to do this. Or, get a blessing by joining with us in helping others get free from bondage.

Be not deceived, our God will not be mocked!

Yours to make Christ known loved and enjoyed,

Pastor Michael Thierer
