# HEGEWISCH BAPTIST CHURCH

MICHAEL A. THIERER, PASTOR

Hello Again Brothers and Sisters,

It is my earnest prayer that our October 2019 Workshop flyer finds you blessed and safe. Once again, the Lord has made a way for us to sponsor this Workshop. Lord willing, it is going to be awesome! We will be focusing on laying a firm foundation for true deliverance and spiritual warfare. No thoughts, feelings or warm fuzziness. Just the facts spiritually tied together and supported by God's Word.

I would like to ask... when was the last time you examined yourself (2Cor13:5)? When was the last time you double-checked to see if your faith is where God said it needs to be? Do you remember the words of Jesus in Matthew 16:18? He said, "He was going to build His church" and the gates of Hell were not going to prevail against it.

Since Calvary, and especially in the last sixty plus years, Satan's subtlety has managed to spread occult seeds and planted many other spiritual enemies (demons) inside the church of Jesus Christ. Many churches have allowed these enemies into the church sight unseen. Some have even provided a way for him to do this.

With so much error, false doctrine and foolishness openly being taught within the church (and in many deliverance ministries) one might begin to think Satan and his demons may be working hand in hand with some of these self-proclaimed Christian leaders. Satan is very clever and we are no match for him. What chance does the church have in combating Satan and this innumerable host of Hell? The majority of the church leadership still cannot come to grips with Scripture warning us that demons can be inside (in the flesh) a believer. Realistically, what could an unbelieving church use to fight Satan? Possibly choirs or Sunday school? Or, maybe they could organize a bake sale or a car wash? Surely, such weaponry would cause Satan to cower back in retreat. Didn't He (Christ) come to destroy the works of the Devil?

When it comes to warning the church about this formidable enemy, too often pulpits of God and God's Watchman demonstrate a deafening silence. Yet, so many Christians profess to be deliverance and/or spiritual warfare teachers. One can find much of their empty artillery everywhere: television, radio, blogs and social media. What type of impact is this really having upon the enemy? What threat are such things to Satan? Our formidable enemy could care less about such things. What he is afraid of is... the name of Jesus Christ. What he is afraid of is... come out in Jesus name. What he is afraid of is the Christian who has been released from the demonic holds upon his flesh (as it is the spirit which is saved) and is now destroying the works of the Devil through Christ. How discouraging for the believer who believes, fights and tries to do everything right yet still cannot overcome. It is no wonder so many Christians lead such defeated lives, have saddened faces, quit or harden their hearts only to find themselves back in the world.

The Church of Jesus Christ is NOT ours to do with what we want! The church is owned lock, stock and barrel by our Savior. Jesus plainly and distinctly tells us in Matthew 16:18 that HE will build HIS church. He is not asking us to help him in building it. Our Savior is MORE than capable. Jesus is not interested in our earthly, sensual and demonic views, or opinions in how to make something holy. Truth be told, if we can barely help ourselves, how are we ever going to be able to help God?

Let us remind ourselves God's written Word is a "lamp unto our feet" (Psalm 119:105). The Word of God illuminates everything we need to see and it is powerful enough to hide and protect us from Satan and the demons.

Yours to make Christ known loved and enjoyed!  
Michael Thierer, Pastor
